

JOHN CARROLL'S
LEADERSHIP SAFARIS

Take a talk on the *Wild Side*

What is a Leadership Safari?

John Carroll's Leadership Safaris are face-to-face or online experiential keynote presentations and workshops themed on African animal fables.

Each fable is an adventure through a specific leadership territory. Your safari will include side trips into anecdotes, examples and practical applications.

Each fable can stand alone or be part of a more comprehensive leadership learning itinerary.

THE BIG 5 TERRITORIES

LIONS ARE SELF-LED LEADERS

Fable: "How the Lion Found Its Strength"

A recce of the 5 foundational principles of "Self-Led Leadership" and the "Leadership Eco-System" which underpin and flow through the other topics.

THERE'S MORE THAN 'ME' IN MEERKAT

Fable: "How the Meerkats Formed a Family"

A behind-the-scenes tour of the 5 habits of high-functioning teams

NO-ONE FOLLOWS A RAMPAGING RHINO

Fable: "How the Rhino Got Its Skin"

Tracks the 5 principles for leading yourself so you can lead others

ENGAGED ELEPHANTS CAN DANCE

Fable: "How the Elephant Got Its Trunk"

A close encounter with the 5 principles of Positive Culture and Engaging Leadership

LEOPARDS CAN CHANGE THEIR SPOTS

Fable: "How the Leopard Got Its Spots"

An exploration of the 5 adaptation habits for leading in an era of ongoing change

"Storytelling is the most powerful way to put ideas into the world." - Robert McKee

John's unique perspective on leadership helps organisations:

- Develop leaders
- Minimise people problems
- Improve corporate culture
- Engage employees
- Boost productivity
- Lead ongoing change
- Enhance brand presence

"John is a fantastic storyteller and presenter. He provided our participants with a unique and meaningful experience with the use of animal fables, relevant case studies and practical examples. It was a pleasure working with John."

Erika Rinaldi, Kexxel Group
 (Coordinator, Online Leadership Series)

About John Carroll

John is your Leadership Safari guide. He's a knowledgeable wildlife enthusiast and an outstanding storyteller. He masterfully weaves his business experience and extraordinary life journey through war-torn Zimbabwe and personal tragedy into enthralling African animal fables that leave his audiences spellbound and his leadership lessons unforgettable.

A successful entrepreneur and business leader, John has held Managing Director and CEO roles in both the commercial and non-commercial sectors.

He has degrees in business and psychology, has published two books plus numerous articles, and has appeared on national television and radio.

"John... is enlightening and the way he tells the stories just grabs the audience. I'd recommend how he tells and relates life stories to business to anybody." - **Phil Haynes**, Special Advisor, Holden General Motors New Zealand

"John's presentations have always been our top-rated sessions at our events. His ability to engage the audience on an emotional level is brilliant and unique." - **Siobhan Hady**, Conference Director, Corinium Intelligence

Planning Your Leadership Safari

We'll work with you to design and guide your Leadership Safari adventure.

Each area on the map can be a stand-alone experience or can be explored as part of a series.

You might start at Mane Camp to discover the foundational principles of Self-Led Leadership, then trek to other territories for more detailed expeditions into specific topics.
